

AMETUR PROJECT

**A FUTURE FOCUSED
INITIATIVE OF THE
DAUGHTERS OF OUR
LADY OF THE
SACRED HEART
AUSTRALIAN
PROVINCE**

ABOUT OUR PROJECT

The Ametur Project takes its name from the motto of the Daughters of Our Lady of the Sacred Heart, "May the Sacred Heart of Jesus be everywhere loved", gifted to us by Jules Chevalier. Born from the Province's discernment, It is an invitation to reflect, listen and dream. The project seeks to deepen connections with the OLSH charism and discover new ways that a spirituality of the Heart can be shared, lived and passed on to future generations. Through listening to many voices, we hope to celebrate our story while embracing the future with hope and enthusiasm.
